

REMARKS:

- 1) Referring to item 10) of the Office Action Summary, the Examiner is respectfully requested to indicate the acceptance of the Drawings filed on November 20, 2003.
- 2) The Examiner's attention is directed to the Information Disclosure Statement that was filed on May 24, 2005. Please consider the references and return an initialed, signed and dated acknowledgment copy of the IDS Form PTO-1449 of May 24, 2005.
- 3) This is a Statement of the Substance of an Interview. In a Telephone Interview initiated by the Examiner on October 13, 2005, the Examiner indicated that this application includes two groups of claims directed to two distinct inventions, namely claims 1 to 8 and 13 directed to a method, and claims 9 to 12 directed to a resin material. The Examiner further indicated that the method claims 1 to 8 and 13 would be allowable. This indication of allowability is appreciated. Since reply instructions could not be obtained from the applicant soon enough, the Examiner said he would issue a written action setting forth the Restriction Requirement. This is also appreciated.
- 4) In response to the Restriction Requirement, applicant hereby elects the Group I method claims 1 to 8 and 13.
- 5) The non-elected Group II claims 9 to 12 have been canceled.

Respectfully submitted,
